What are the powers that you want them to have:

<input type="checkbox"/>	To agree to, refuse, or withdraw consent to any type of medical care, treatment, surgical procedures, tests, or medications. This includes decisions about using mechanical or other procedures that affect any bodily function, such as artificial respiration, cardiopulmonary resuscitation, or other forms of medical support, even if deciding to stop or withhold treatment could or would result in my death.
<input type="checkbox"/>	To request that a physician responsible for my care issue a do-not-resuscitate (DNR) order, including an out-of-hospital DNR order, and sign any required documents and consents.
<input type="checkbox"/>	To have access to medical records and information to the same extent that I am entitled to, including the right to disclose health information to others.
<input type="checkbox"/>	To authorize my admission to or discharge (even against medical advice) from any hospital, nursing home, residential care, assisted-living or similar facility or service.
<input type="checkbox"/>	To contract for any health care-related service or facility for me, or apply for public or private health care benefits, with the understanding that my agent is not personally financially responsible for those contracts.
<input type="checkbox"/>	To hire and fire medical, social service, and other support personnel who are responsible for my care.
<input type="checkbox"/>	To authorize my participation in medical research related to my medical condition.
<input type="checkbox"/>	To decide about organ and tissue donations, autopsy, and the disposition of my remains as the law permits.
<input type="checkbox"/>	To take any other action necessary to do what I authorize here, including signing waivers or other documents, pursuing any dispute resolution process, or taking legal action in my name.

DO YOU HAVE AN ADVANCE DIRECTIVE? (Choose one only)

<input type="checkbox"/>	I previously executed a Living Will or other Advance Directive for medical care. (THIS DOES NOT TAKE THE PLACE OF MY LIVING WILL. Should there be a conflict between this Directive and my Living Will, my Living Will controls.)
<input type="checkbox"/>	I do not have any previous advance directives. (This will be the first advance health directive I make. I do not have a Living Will. My Health Care Agent will make all decisions.)
