

**SENIOR CITIZENS AGING SERVICES
INTAKE, PROFILE AND REFERRAL (IPR) FORM**

INSTRUCTIONS

Title III reporting requirements provide statistical data for management and advocacy initiatives serving as indicators for new and continued funding of programs for seniors. The data collected is used for budget justifications, congressional inquiries, program development and mandated reports for federal, state and local agencies. Information must be accurate for it to be useful in supporting program services.

- ◆ **FORM:** This form is an Intake, Profile and Referral (IPR) Form, and not an assessment form. Profile characteristics are used in developing new programs to meet the needs of the elderly. Each Service Provider may have their own assessment form for their specific programs.
 - ◆ **DATA RETENTION:** Client data is inputted and retained in a main registry.
 - ◆ **INCOME LEVEL:** The Income Level is based on the U.S. Department of Health and Human Services Poverty Guidelines and shall be completed before the Intake, Profile and Referral Form is processed.
 - ◆ **PRIORITIZATION OF SERVICES:** Based on the need to activate Prioritization of Services, the number of persons to be served will be determined by the existing conditions of clients enrolled in a program and those on a wait list at the time of implementation. Information on mobility, support system, housing condition, activities of daily living, health status and financial assets is collected should prioritization of services be necessary.
 - ◆ **REFUSAL TO ANSWER:** Should a client refuse to answer a certain question, leave it blank. In the comments section, list the reason for not answering the question. This does not apply to Income Level.
 - ◆ **SIGNATURE:** The signature of the client or responsible party is required before services can be provided.
 - ◆ **SPECIAL ACCOMMODATIONS:** Clients requiring special accommodations shall inform the program in advance of their requirements.
- ◆ **PROGRAM SPECIFIC INFORMATION:**
 - **Case Management Services.** Case Management Services Program provides a systematic process of assessment and reassessment, planning, service and care coordination, referral, and monitoring. The Case Management Services Program serves as a key entry point for aging services, determines eligibility and authorizes services for individuals requesting Adult Day Care Services, In-Home Services and Home-Delivered Meals. Entry into these programs shall not be permitted before an assessment is made and eligibility established by Case Management Services.
 - **Transportation Services.** In order to meet demands, clients requesting transportation shall make reservations with the Transportation Services Program in advance for service. If the date requested cannot be accommodated, the Transportation Services Program shall recommend an alternate date. Requests for persons using wheelchairs or having a Personal Assistant/Personal Care Attendant shall be made in the same manner, whether for Center participation or to and from medical appointments, etc.
 - **Elderly Nutrition Program.** To the extent practicable, meals are prepared to meet special dietary needs of eligible participants, and shall be supported by a statement from the client's doctor or religious leader stating the necessity for special meals. Mechanical (chopped) or pureed (blenderized) meals are not classified as special meals and shall be provided to the client at their request.

Healthy Eating for Older Adults

1. ***Make eating a social event.***
 Enjoy meals with friends or family members as often as possible. Take advantage of technology to enjoy meals virtually with loved ones in different cities or States.
2. ***Drink plenty of liquids.***
 You may not always feel thirsty when your body needs fluids, and that's why it's important to drink beverages through the day. Enjoy coffee and tea if you like, or some water, milk, or 100% juice.
3. ***Add a touch of spice.***
 Limiting salt is important as you get older. Fresh and dried herbs and spices, such as basil, oregano, and parsley, add flavor without the salt.
4. ***Make the most of your food choices.***
 Older adults need plenty of nutrients but fewer calories, so it's important to make every bite count. Foods that are full of vitamins and minerals are the best way to get what you need.
5. ***Be mindful of your nutrient needs.***
 You may not be getting enough nutrients such as calcium, vitamin D, potassium, dietary fiber, vitamin B12, and also protein. Read the Nutrition Facts label on packaged foods and also speak with your healthcare provider about possible supplements.
6. ***Keep food safe.***
 Discard food if it has an "off" odor, flavor, or texture. Refer to the "use by" dates for a guide to freshness. Canned or frozen foods store well if shopping trips are difficult.
